

# LAND REFORMS

## Reasons for Re-structuring

- Under the earlier system -
  - ✓ the redressal of public grievances, implementation of Land Reforms and Bhoodan could not be effectively performed due to the existence of satellite units in selected districts; and
  - ✓ The services of revenue staff (from VAO to Tahsildar and Surveyors) for declaration, assignment and payment etc, could not be utilized since the offices were detached from District administration.
